GENERAL INFORMATION

Product prices listed in this document are the list prices for each grade effective 1 August 2018.

All products and services are supplied in accordance with the "Shell Marine – Sales of Lubricants General Terms and Conditions".

For delivery lead time, please refer to Listing of Ports on page 18. As lead times may change, please refer to the Port Services Guide at www.shell.com/marine/psg for the latest version.

HEALTH, SAFETY, SECURITY AND ENVIRONMENT (HSSE)

Shell Marine¹ is committed to:

- Pursuing the goal of no harm to people
- Protecting the environment
- Using materials and energy efficiently to provide our products and services
- Developing energy resources, products and services consistent with these aims
- Publicly reporting on our performance
- Playing a leading role in promoting best practice in our industries
- Managing HSSE matters as any other critical business activity
- Promoting a culture in which all Shell employees share this commitment.

The lubricants, products and services in this price list have all been manufactured and distributed in accordance with this policy and when they are used and handled in accordance with the Product Data Sheets (PDS) and Material Safety Data Sheets (MSDS) will present no material risk to health, safety or the environment.

Copies of those data sheets are available at www.epc.shell.com or from your local Shell Marine representative.

ORDERING PROCEDURE

Please note the minimum delivery lead time required when placing an order. Timing details are available under the Listing of Ports on Page 18 and in the latest Port Services Guide at www.shell.com/marine/psg. Orders are to be sent to our International Customer Service Centre – contact information on Page 27. Urgent orders to be placed by telephone only. Please include the following information when placing an order:

1. Full name of customer
2. Account number and full name of company to be invoiced (if different from above)
3. Full name of vessel (owner/operator)
4. Port of supply
5. Vessel's ETA and ETD
6. Requested date of delivery
7. Local agent name and contact details at delivery point
8. Products, packages and quantities required
9. Method of delivery (e.g. barge/truck/packed).

¹Shell Marine collectively refers to the companies of the Shell group engaged in the marine business including, without limitation, Shell Marine AS, Shell Marine (US) Company and Shell Marine Singapore.

²Contracted customers mean customers contracted to Shell Marine for international supply and delivery of marine lubricants.

PRICES

Prices listed in this document are prices for each grade and pack, and are established in US Dollars per 100 litres, except for greases, which are established in US Dollars per 100 kilograms.

The total delivered prices of Shell Marine Lubricants, to be paid by Shell Marine Contracted Customers², consist of different elements including:

- The product price as specified in this price list
- The port price differential (charge that applies to deliveries in ports, which will be charged in full and in addition to the product price)
- Any applicable surcharges set out in this document or as advised by your local Shell Marine representative (e.g. barge surcharge, overtime surcharge, small order surcharge etc.).

DUTIES, TAXES AND CUSTOMS

Where local regulations require duties, taxes or statutory charges to be paid, these will be for the customer's account and may be subject to change without prior notice. Shell Marine cannot guarantee that these represent current duties, taxes or charges at the time of any specific delivery.

SURCHARGES

The following surcharges may be applicable:

- **Small Order Surcharge**
A Small Order Surcharge of 200 US Dollars will be applicable on Bulk Orders below 4,000 litres, or on Packed Orders below 800 litres. Small Order Surcharge applies to the total volume of the order.
- **Left Onboard Surcharge**
A Left Onboard Surcharge of 300 US Dollars will be applied per order when an ordered volume exceeds what has been delivered.
- **Order Cancellation Surcharge**
An Order Cancellation Surcharge of 300 US Dollars per order will be applied to orders that are cancelled after the product has been loaded for delivery.
- **Return Order Surcharge**
A Return Order Surcharge of 500 US Dollar per order will be applied to an event that the product is returned after it has been accepted.

■ Overtime Surcharge

An Overtime Surcharge (varies from country to country) will be applied to recover costs that are incurred owing to deliveries being made outside working hours.

■ Demurrage Surcharge

A Demurrage Surcharge (varies from country to country) will be applied to recover costs that are incurred owing to delays from a customer's vessel.

For more information on surcharges, please contact your Shell Marine representative or International Marine Customer Operations Specialist (COS).

SHELL LUBEANALYSIS³ SERVICES

Shell LubeAnalysis is a sophisticated used oil analysis service that is made available to customers. By employing a variety of different test suites, a comprehensive diagnosis of the condition of the oil and the machinery can be determined.

The Shell LubeAnalysis service comprises:

- A comprehensive Sampling Plan for each vessel
- A recommendation for the most appropriate test suite for each piece of equipment
- Advice on sampling frequency and how to take a representative sample of used oil.

A range of our test suites is shown below (all prices subject to contract):

ENGINE TEST	GEAR CHECK
SHAFT TEST	THRUSTER CHECK
SYSTEM TEST	THERMAL CHECK
ENGINE CHECK	GREASE CHECK
SHAFT CHECK	EAL CHECK
SYSTEM CHECK	ENGINE CHECK PLUS
FRIDGE CHECK	SYSTEM CHECK PLUS
GAS ENGINE CHECK	HYDRAULIC CHECK PLUS
TURBINE CHECK	THRUSTER CHECK PLUS
EMD ENGINE CHECK	GEAR CHECK PLUS
CYLINDER CHECK	NK STERN TUBE TEST
HYDRAULIC CHECK	ENGINE PQ PLUS

Shell LubeAnalysis Refill Kits can be ordered through our customer service centre and will be delivered to the address⁴ provided on placing the order. We can also offer Shell LubeAnalysis Refill Kits to be delivered as a part of lubricants order in selected ports in China, Hong Kong, Singapore, UK and Germany.

Please contact your local Shell Marine representative if you would like more information on our Shell LubeAnalysis services.

³Formerly known as Shell Rapid Lubricants Analysis

⁴Shell will not cover any cost incurred by duty, tax or agent handling.

To complement Shell LubeAnalysis services we also offer the following onboard testing tools:

Shell Ferrous Wear Meter is a unique, portable device that provides on board measurement and recording of magnetic iron content in oils.

- Shell Onboard Plus test kit provides your ship's engineers with a convenient, immediate and on-the-spot method of testing the condition of the lubricants on vessels and is capable of measuring water content, TBN and viscosity.

To place an order or inquire about pricing, please contact your local Shell Marine representative.

If you have been using the Shell Onboard Plus test kit and would like to order reagents, you can place your order with the following suppliers. As Shell does not undertake the supply of reagents for Shell Onboard Plus test kit, please find the information for your easy reference:

- To order the required consumables or reagents from Wilhelmsen Port Services, please visit www.wilhelmsen.com/services/maritime/companies/buss/directory/pages/default.aspx
- To order the required consumables or reagents from Parker Kittiwake, please visit www.parker.com or email sales@kittiwake.com.

Please note Kittiwake does not offer port services. The order will be dispatched out of UK. Courier charges and import fees are to be absorbed by the customer.

To order the reagents, please refer to the following part numbers:

FG-K2-001-KW Water in Oil Reagent Pack (50)
