

PURCHASE ORDER TERMS FOR GOODS AND SERVICES

These terms and conditions apply to the CONTRACT between COMPANY and CONTRACTOR, which may be in the form of a purchase order or a work statement (the "CONTRACT"). These terms and conditions are binding between COMPANY and CONTRACTOR and supersede and replace any CONTRACTOR terms and conditions or previous contracts for SCOPE. In the event any special terms are agreed between the parties, the special terms will prevail over terms contained in these terms and conditions. Where these terms and conditions are attached to or incorporated in a CONTRACT issued under an existing contract, the terms and conditions of that existing contract will prevail.

2. REQUIREMENTS PERTAINING TO SCOPE

(a) This CONTRACT is non-exclusive and carries no requirement for COMPANY to place any orders or purchase any minimum quantities. COMPANY may acquire same or similar SCOPE from other suppliers.

(b) Time is of the essence for the performance of SCOPE.

(c) Any information supplied by COMPANY is the property of COMPANY and will not be used by CONTRACTOR for any purpose other than for performance of the CONTRACT.

3. REQUIREMENTS PERTAINING TO GOODS

(a) CONTRACTOR guarantees that GOODS supplied in connection with the performance of SCOPE will be: (i) without fault, defect, or deficiency; (ii) new on delivery, unless otherwise specified in the CONTRACT; (iii) fit for use for any purpose specified in the CONTRACT; and (iv) in strict conformance with the CONTRACT and any specification, drawing, or other description supplied by COMPANY to CONTRACTOR and agreed to as part of the CONTRACT.

(b) Unless a different period is specified in the SCOPE DESCRIPTION, CONTRACTOR'S warranty for GOODS applies to all defects arising within 12 months of COMPANY'S ACCEPTANCE of GOODS.

(c) Following ACCEPTANCE by COMPANY of the GOODS, the warranties set out in this Article are in lieu of all other warranties expressed or implied by statute, common law, custom, usage, or otherwise.

(d) CONTRACTOR retains risk of loss of and damage to the GOODS until delivery is complete in accordance with the INCOTERMS in any case where INCOTERMS are specified, otherwise when COMPANY takes physical possession of the GOODS.

(e) Title to the GOODS will pass to COMPANY at the earlier of: (i) risk of loss of and damage to the GOODS passing to COMPANY; or (ii) as COMPANY makes payment for the GOODS.

(f) CONTRACTOR will pack the GOODS so that they may be transported and unloaded safely. CONTRACTOR represents that, on delivery, the GOODS will have been accurately described, classified, marked, and labelled, in accordance with

the CONTRACT, all APPLICABLE LAWS, and STANDARDS OF PRACTICE.

4. REQUIREMENTS PERTAINING TO SERVICES

4.1. SERVICES Warranties

(a) CONTRACTOR warrants that all SERVICES supplied in connection with the performance of SCOPE will be: (i) performed in accordance with the CONTRACT; (ii) fit for use for any purpose specified in the CONTRACT; and (iii) free from any defect or deficiency.

(b) Unless a different period is specified in the SCOPE description, CONTRACTOR'S warranty for SERVICES applies to all defects arising within 12 months of COMPANY'S ACCEPTANCE of the SERVICES.

(c) Following ACCEPTANCE by COMPANY of the SERVICES, the warranties set out in this Article are in lieu of all other warranties expressed or implied by statute, common law, custom, usage, or otherwise.

(d) CONTRACTOR will supply SERVICES diligently, efficiently, and carefully, in a good and professional manner, and in accordance with the CONTRACT and all STANDARDS OF PRACTICE. CONTRACTOR will furnish all skills, labour, supervision, equipment, goods, materials, supplies, transport, and storage required for SERVICES.

4.2. CONTRACTOR PERSONNEL in Connection with SERVICES

Where required by COMPANY, CONTRACTOR will perform at its own expense security background checks and obtain entry credentials for CONTRACTOR PERSONNEL on COMPANY GROUP WORKSITES.

5. COMPENSATION, PAYMENT, AND INVOICING

(a) COMPANY agrees to pay the CONTRACT PRICE to CONTRACTOR in the currency specified in the Schedule of Prices, and at the times and in the manner specified in this Article. The CONTRACT PRICE is all-inclusive except for value added tax or sales tax.

(b) CONTRACTOR will invoice only after ACCEPTANCE of SCOPE, except as otherwise provided in the CONTRACT.

(c) COMPANY will pay CONTRACTOR any undisputed amount within the time period specified in the CONTRACT after receipt of a correct and adequately supported invoice. An invoice is considered unsupported when COMPANY cannot reasonably verify the legitimacy or accuracy of the invoice using the information provided by CONTRACTOR or if supporting documentation is missing.

(d) Payment of an invoice is not: (i) by itself an accord and satisfaction, or otherwise a limitation of the rights of the parties in connection with the matter; or (ii) evidence SCOPE was performed in accordance with the CONTRACT.

(e) If COMPANY disputes an invoice, COMPANY may withhold payment of any disputed part of an invoice and pay only the undisputed part. COMPANY may, on notice to CONTRACTOR, set off any liabilities between CONTRACTOR and COMPANY arising out of the CONTRACT or any other agreement. Any exercise by COMPANY of its rights under this provision will be without prejudice to any other rights or remedies available to COMPANY.

6. QUALITY ASSURANCE

CONTRACTOR must have quality assurance programs in place adequate to support its performance of SCOPE.

7. ACCESS TO COMPANY SYSTEMS, INFORMATION, OR INFRASTRUCTURE

In the event that performance of SCOPE requires CONTRACTOR or CONTRACTOR PERSONNEL to access COMPANY GROUP'S technical information, information technology, or resources (including COMPANY'S infrastructure), CONTRACTOR will sign and comply with COMPANY'S standard terms and conditions for

access and security, unless other terms applicable to the CONTRACT were agreed on by the parties in writing.

8. VARIATIONS

COMPANY may request, or CONTRACTOR may initiate, a VARIATION ASSESSMENT for reasons of emergency, safety, or other reasonable necessity. CONTRACTOR is not entitled to a VARIATION for matters that were included in SCOPE, or matters that CONTRACTOR agreed to perform or take into account in connection with the CONTRACT. COMPANY may reject or accept the VARIATION ASSESSMENT by issuing a VARIATION ORDER.

9. INSPECTIONS, TESTING, AND ACCEPTANCE OF SCOPE

(a) To confirm SCOPE complies with the CONTRACT, CONTRACTOR will perform all tests and inspections required by the CONTRACT, APPLICABLE LAWS and, unless otherwise specified in the CONTRACT, STANDARDS OF PRACTICE.

(b) CONTRACTOR will request ACCEPTANCE from COMPANY: i) of GOODS by completion of delivery; or ii) of SERVICES by writing on completion of SCOPE. Other than to start the period for any warranty of limited duration, ACCEPTANCE does not limit or waive any remedies.

10. REMEDIAL ACTIONS

If defects in SCOPE are discovered, CONTRACTOR will provide a plan to remedy the defects and will remedy the defects in an expeditious manner. Without prejudice to other remedies it may have, COMPANY may perform or have others perform some or all of the remedial actions, and CONTRACTOR will pay or promptly reimburse COMPANY for all costs CONTRACTOR would have been liable for under the CONTRACT where:

(i) emergency situations or other HSSE risks require the immediate performance of remedial actions; (ii) CONTRACTOR presents a plan which does not provide for expeditious completion of warranty work; or (iii) CONTRACTOR does not timely complete the actions according to the agreed schedule. CONTRACTOR's warranties against defects are assignable, and CONTRACTOR will assign to COMPANY all manufacturers' warranties or will pursue for COMPANY or its assignee all warranties that cannot be assigned.

PART B

1. PERFORMANCE

(a) CONTRACTOR will participate in business performance reviews to discuss HSSE performance, CONTRACTOR'S financial condition and other key performance indicators (KPIs).

(b) The frequency of business performance reviews will be established by the SCOPE description or alternatively, by COMPANY'S representative.

2. TAXES

2.1 CONTRACTOR TAXES

(a) COMPANY is not liable for any of CONTRACTOR's income taxes; any withholding taxes imposed on gross amounts; any franchise tax measured by capital, capital stock, net worth, gross margin, gross receipt, or gross profit; any minimum or alternative minimum tax; or any TAXES imposed by law on CONTRACTOR that are prohibited by law from being passed on to COMPANY. COMPANY is not liable to CONTRACTOR for any employment related TAX, fee, or charge. COMPANY is not liable for any of CONTRACTOR's inventory based taxes, ad valorem taxes, or property taxes.

(b) COMPANY is responsible for filing returns and paying inventory-based taxes, ad valorem taxes, and property taxes on property or inventory that it owned on the assessment date.

2.2 INDIRECT TAXES

COMPANY will pay all federal, state, and local TAXES or other TAXES that are imposed on transactions governed by the CONTRACT. For purposes of this Article, "TAXES" includes the following US taxes: federal, state, and local excise taxes, sales and transaction taxes, gross receipts taxes, utility taxes, environmental taxes and fees, or any other taxes that CONTRACTOR may be required to collect or pay on the transactions governed by the CONTRACT, except any taxes imposed on CONTRACTOR that by APPLICABLE LAW cannot be passed on to COMPANY.

2.3 Customs Responsibilities

If the CONTRACT involves GOODS imported into the customs territory of the United States, the party acting as the importer of record for US Customs purposes is responsible for filing the clearance declaration and is liable for paying any applicable import related fees or TAXES, such as customs duties, harbor maintenance fees, merchandise processing fees, and oil spill fees. CONTRACTOR will provide the importer of record all documentation necessary to support the customs declaration. If the CONTRACT involves GOODS for which US import duty drawback can be claimed, the parties may separately negotiate the sharing of the drawback refund.

2.4 Local (USA) Requirements

CONTRACTOR will provide to COMPANY a properly completed I.R.S. Form W-8 or I.R.S. Form W-9, as appropriate, to enable COMPANY to determine if US income tax withholding is required. If U.S. withholding applies, COMPANY will withhold amounts on its payments to CONTRACTOR as required under US law, unless CONTRACTOR provides COMPANY with the appropriate documentation to mitigate the TAX.

2.5 Requirements Pertaining to Intangible Drilling Costs

COMPANY may be able to claim the Intangible Drilling Cost deduction under Section 263(c) of the United States Internal Revenue Code of 1986 for SCOPE purchased under the CONTRACT. Accordingly, to substantiate those claims, it is necessary for CONTRACTOR to invoice the prices to be paid by COMPANY separated into "Material" and "Non-material" costs, with CONTRACTOR's profit and overhead allocated to each category as appropriate. (i) "Non-material" costs are those costs covering intangible items that would have no salvage value at the end of the life of a project, such as design engineering, fabrication labour, and materials and equipment handling, testing, and inspection of materials through incorporation into SCOPE, CONTRACTOR's installation labour, transportation costs for materials used in fabrication, and the completed item. (ii) "Material" costs are those costs for tangible items that ultimately have a salvage value at the end of the life of a project. This category does not include items that are consumed in the delivery of the SERVICES (e.g. welding supplies used in welding). For example, material costs would typically include the value of steel plate used in the fabrication process as well as hardware, valves, pipe, fittings, motors, etc. purchased by CONTRACTOR for incorporation into SCOPE.

2.6 Withholding

(a) If CONTRACTOR is required to collect TAXES on a transaction governed by this CONTRACT, CONTRACTOR will invoice that TAX as a separate line item on the invoice.

(b) CONTRACTOR will not collect any TAXES for which COMPANY furnishes to CONTRACTOR, in a timely manner, a valid and properly completed exemption certificate or valid licence for which CONTRACTOR may claim an available exemption from TAXES. COMPANY will be responsible for any TAXES, interest, and penalties if the exemption certificate, licence, or other form of proof of exemption is disallowed by the proper tax authority. If a refund opportunity arises with

respect to any TAXES paid by CONTRACTOR as a result of the transactions governed by the CONTRACT, both parties will cooperate to pursue the refund to pay to the party that incurred the TAX burden.

(c) If CONTRACTOR holds a valid exemption certificate, it will provide copies or further information to substantiate an entitlement to avoid the withholding, which COMPANY may then rely on to apply the exemption.

3. LIENS

CONTRACTOR warrants good and clear title to SCOPE supplied. CONTRACTOR will not permit CONTRACTOR GROUP to place any LIENS or claim any LIENS. CONTRACTOR will immediately notify COMPANY and promptly remove any LINES by CONTRACTOR GROUP.

4. SUSPENSION

(a) COMPANY may suspend the CONTRACT or reduce SCOPE for cause by written notice with immediate effect pending COMPANY's decision on termination where COMPANY concludes it has grounds to terminate the CONTRACT for cause. Where suspending for cause, CONTRACTOR will not be entitled to any VARIATION or other compensation.

(b) COMPANY may suspend the CONTRACT or reduce SCOPE for convenience at its own discretion with seven days' prior written notice. CONTRACTOR may seek a VARIATION if actions required by suspension impact the schedule or timing of SCOPE.

(c) COMPANY may at any time withdraw by written notice all or part of a suspension and CONTRACTOR will resume performance.

5. TERMINATION

5.1. Termination by COMPANY

(a) COMPANY may terminate the CONTRACT or reduce SCOPE for cause by written notice with immediate effect if: (i) in connection with the performance of the CONTRACT, CONTRACTOR breaches its own Business Principles, or if it has no equivalent principles, then Shell's Business Principles; (ii) any member of CONTRACTOR GROUP violates ANTI-BRIBERY LAWS, applicable competition laws, TRADE CONTROL LAWS, other APPLICABLE LAWS, or HSSE STANDARDS or causes COMPANY to be in violation of those laws; (iii) any member of CONTRACTOR GROUP becomes a RESTRICTED PARTY; or (iv) CONTRACTOR is subject to an INSOLVENCY EVENT.

(b) COMPANY may terminate the CONTRACT or reduce SCOPE for cause where COMPANY determines CONTRACTOR materially breached a term or condition of the CONTRACT other than those set out in the preceding paragraph. COMPANY will first provide written notice which may require CONTRACTOR to remedy the breach, or COMPANY may terminate the CONTRACT if COMPANY determines the breach is not capable of timely remedy, or it is not subsequently remedied.

(c) COMPANY may terminate the CONTRACT or reduce SCOPE for convenience at its own discretion with 30 days' prior written notice.

5.2. Termination by CONTRACTOR

(a) CONTRACTOR may terminate the CONTRACT with prior written notice of at least 30 days when: (i) COMPANY fails to pay an undisputed amount to CONTRACTOR that is properly presented, due, and payable for more than 60 days; and (ii) COMPANY fails to cure or provide proper grounds for non-payment during the notice period.

(b) CONTRACTOR'S termination rights do not apply to non-payment in the case of COMPANY'S valid exercise of set off rights.

5.3. CONTRACTOR Obligations on Termination

On any termination, CONTRACTOR will promptly cease performance, give access to SCOPE in progress, avoid unreasonable interference with others, and take reasonable steps to allow COMPANY to complete SCOPE, including turning over all documentation for SCOPE and SOFTWARE which was to be supplied in connection with the CONTRACT.

5.4. Compensation in the Event of Termination

(a) On any termination, COMPANY will determine and pay (subject to valid set offs) the amounts owed to CONTRACTOR for SCOPE properly performed prior to termination.

(b) If COMPANY terminates the CONTRACT "for convenience" or CONTRACTOR validly terminates for non-payment, COMPANY will also pay reasonable, unavoidable, and auditable demobilisation costs that COMPANY has specifically agreed elsewhere in the CONTRACT to pay on termination for convenience by COMPANY.

5.5. Exclusive Reasons for Termination

The parties waive any right to terminate, rescind, or otherwise end the CONTRACT, on grounds other than those set out in the CONTRACT.

6. LIQUIDATED DAMAGES

Any LIQUIDATED DAMAGES set out in the CONTRACT are genuine pre-estimates of the losses that may be sustained by failure of performance. COMPANY may claim demonstrated general damages in any case where LIQUIDATED DAMAGES are unenforceable.

7. LIABILITIES AND INDEMNITIES

(a) Liability for loss of and damage to property and for personal injury, death, or disease to any PERSON, arising in connection with the CONTRACT, will be determined in accordance with APPLICABLE LAW.

(b) Neither party will be liable to the other for that other party's own CONSEQUENTIAL LOSS, REGARDLESS OF NEGLIGENCE OR OTHER FAULT.

(c) Neither party excludes or limits its LIABILITIES to the extent they may not be excluded under APPLICABLE LAW.

(d) Solely for purposes of any workers' compensation law that might be applicable to CONTRACTOR PERSONNEL involved in performance of the CONTRACT, COMPANY is considered the "statutory employer" of those CONTRACTOR PERSONNEL, as that term is defined under the appropriate workers' compensation law or case law interpreting it in cases where activities related to the CONTRACT make it applicable. Nothing in this sub-article negates any other provision of the CONTRACT that addresses the independent contractor status of CONTRACTOR or CONTRACTOR PERSONNEL, nor does this sub-article mean that any member of COMPANY GROUP is the employer of any CONTRACTOR PERSONNEL.

8. INSURANCE

Prior to commencement of performance, CONTRACTOR will arrange any insurance required by APPLICABLE LAW, and maintain that insurance in effect throughout the duration of the CONTRACT. Satisfaction of the obligation to procure insurance and perform other actions in connection with this Article will not relieve CONTRACTOR of any other obligations or LIABILITIES.

9. COMPLIANCE WITH APPLICABLE LAWS, BUSINESS PRINCIPLES, AND HSSE STANDARDS

9.1. APPLICABLE LAWS

(a) CONTRACTOR will comply with APPLICABLE LAWS in the performance of the CONTRACT and will notify COMPANY of any material breaches.

(b) CONTRACTOR and COMPANY will comply with the US Occupational Safety and Health Administration ("OSHA") Hazard Communication Standard ("HCS") - 29 CFR 1910.1200

(and any state OSHA Standard) in connection with the supply or use of hazardous chemicals, as applicable. Material Safety Data Sheets ("MSDS" or now called "Safety Data Sheets" or "SDS") provided in connection with those requirements will be current, in English, and otherwise meet the requirements of the HCS. Where supplying a chemical substance, CONTRACTOR will provide only chemical substances listed in the Toxic Substances Control Act Chemical Substance Inventory ("TSCA Inventory"), which is maintained by the US Environmental Protection Agency. CONTRACTOR will verify each chemical's inclusion on the TSCA Inventory by sending COMPANY a letter or an MSDS that expressly verifies the chemical's TSCA Inventory Listing. If CONTRACTOR becomes aware of a chemical substance that has been supplied which is not on the TSCA Inventory, CONTRACTOR will immediately notify COMPANY in writing.

(c) This CONTRACT may involve the performance of SCOPE for agencies of the government of the United States, or contracts for supply which are funded in part or in whole by US government agencies, therefore: (i) In all cases where applicable, CONTRACTOR GROUP will abide by the requirements of 41 CFR 60-1.4(a), 60-300.5(a), and 60-741.5(a). Those regulations prohibit discrimination against qualified individuals based on their status as protected veterans or individuals with disabilities, and prohibit discrimination against all individuals based on their race, colour, religion, sex, or national origin. Moreover, those regulations require that, where applicable, members of CONTRACTOR GROUP take affirmative action to employ and advance in employment individuals without regard to race, colour, religion, sex, national origin, protected veteran status, or disability; (ii) In all cases where applicable, CONTRACTOR GROUP will comply with the Trafficking Victims Protection Act of 2000, Executive Order 13627 Strengthening Protections Against Trafficking in Persons in Federal Contracts, Federal Acquisition Regulation; Ending Trafficking in Persons and any other applicable law or regulation establishing restrictions on trafficking in persons, the procurement of commercial sex acts, or the use of forced labour; and (iii) Where applicable, CONTRACTOR confirms that it is and will remain in compliance with all ethics rules for US government contractors, and executive orders, laws, and regulations pertaining to US government contractors. CONTRACTOR will notify COMPANY if a member of CONTRACTOR GROUP is a former employee of a federal agency who is prohibited from receiving compensation under 41 U.S.C. § 2104.

(d) In connection with its policies against use or possession of illegal or unauthorised drugs or controlled substances, intoxicating beverages, or weapons of any type, including firearms on its premises, CONTRACTOR agrees that entry onto COMPANY GROUP WORKSITES constitutes consent to and recognition of the right of COMPANY GROUP and its authorised representatives to search the person, vehicle, and other property of individuals while on those premises. CONTRACTOR must have in place at its own expense a substance abuse policy meeting applicable STANDARDS OF PRACTICE if all or part of the performance of SCOPE on COMPANY GROUP WORKSITES or in transportation of its products or materials: i) requires exercise of independent action and results in direct and immediate irreversible effects; and iii) creates substantial risk of serious physical injury to fellow employees or the general public, or significant environmental damage.

(e) 33 CFR Parts 101-106, Maritime Security, 6 CFR Part 27, Chemical Facility Anti-Terrorism Standards ("CFATS"), 49 CFR Part 1520 (Protection of Sensitive Information), other APPLICABLE LAWS, or COMPANY GROUP requirements may apply to certain COMPANY GROUP facilities or operations.

Where applicable because CONTRACTOR will perform at least part of SCOPE at COMPANY GROUP WORKSITES, or will handle COMPANY GROUP's products or materials, CONTRACTOR will become informed of and comply, at its own expense, with these and similar requirements for (i) security; (ii) handling of sensitive security information; (iii) screening of individuals through the Department of Homeland Security database and other databases; (iv) advance provision for entry credentials; (v) security compliance training; (vi) conduct of required CONTRACTOR PERSONNEL pre-assignment background investigations; and (vii) related matters.

(f) Where CONTRACTOR is providing SCOPE to Shell Upstream operations, CONTRACTOR is required to be familiar with and comply with applicable guidelines, policies, and procedures which are located at www.uacontractor.com. This includes policies for health and safety, as well as requirements regarding use of COMPANY contracted aircraft and marine vessels, and compliance with COMPANY's land transportation programs for deliveries to and from its sites.

(g) Prior to commencement of any drilling or production services on the Outer Continental Shelf, COMPANY will provide and CONTRACTOR must execute a written Safety and Environmental Management Systems Contract Interface Document ("SEMS CID") confirming the development, implementation, and maintenance of a safety and environmental management system program satisfactory to COMPANY in compliance with 30 CFR 250 Subpart S. The SEMS CID will document how policies and procedures interface where COMPANY and CONTRACTOR have compatible but independent SEMS program elements. COMPANY may decide to identify and confirm previously established programs in place between COMPANY and CONTRACTOR or their AFFILIATES.

CONTRACTOR is responsible for adhering to all COMPANY HSSE STANDARDS, including compliance with the applicable guidelines, policies, and procedures which are located in the SEMS CID. By entering into this CONTRACT, CONTRACTOR acknowledges that COMPANY and CONTRACTOR have identified or prepared a SEMS CID which will be applicable to SCOPE, and CONTRACTOR has a copy on file and in its possession.
