Transport from airport to office

On arrival at Schiphol Airport you will need to purchase a rail ticket from Schiphol Airport to Rotterdam Centraal Station. The tickets can be purchased at the yellow ticket machines located in the 'Schiphol Plaza', near the entrances to the railway platform. A ticket will cost approximately 11.20 Euros each way. You will be able to catch a train to Rotterdam directly from Schiphol Airport, which will take about 1 hour. For exact travel times see the website www.ns.nl (English) and check the 'snelplanner'. For more information about public transport, please call number: 0900-9292.

On arrival at Train Station Rotterdam please take exit at the side: 'Centraal Stationsplein'. Cross the Stationsplein until the main street: Weena. Turn left in direction of the east/the 'Hofplein' (with fountain). The Shell office (white building) is on the Weena, number 70 (directly next to the Hilton hotel).

Travelling by car

Take A4 toward Rotterdam. Continue onto the A13 then take A20. Take Rotterdam Centrum exit then continue straight until reaching Coolsingel. Go over the Hofplein roundabout and take the first right to Weena. The entrance is on the left.

Please inform me if you will come by car, so we can reserve a parking place. The Shell Parking entrance is behind the Shell office (entrance Weena-Zuid). In case this parking is full, continue to the Q-park, which can be found at the end of the 'Kruiskade' on your right. Car park charges and mileage against receipt will be reimbursed too.

Note: Please note we are only able to refund taxi fares in exceptional circumstances or when we advise you to do so.

Currency: Euro

As you will need to purchase a return rail ticket and return tram tickets on arrival in the Netherlands, we suggest that you bring at least EURO 50 with you. Visa and MasterCard are accepted throughout the Netherlands.
